Ben Dillon of DB Works was recommended to me by another local trader as being a helpful and reliable resource for maintenance work in my home and Ben is certainly that! Ben recognised that one of my required tasks (a loose banister rail) represented a safety hazard to me, so he fixed that immediately. When putting in two grab-handles on the walls in my bathroom, Ben took great care to align the handles with the tile sizes to achieve an elegant result. Whilst installing a curtain rail in my kitchen, Ben's patience in adjusting the height and width of the rail and the curtain was greatly appreciated. Ben is polite, thoughtful, tidy, and punctual. The quality of his work is exemplary and great value. I would not hesitate to recommend Ben and BD Works.

Ben is very good at what he does. Quick response and a good organiser of other trades. There was just one small funny hiccup! He arranged for window fitters to attend the HMO to repair a window. They went to the wrong address, next door, not Ben's fault and repaired a window for the neighbours! Ben sorted rapidly and the job was completed next day. No problem, laughs all around.

Ben Dillon at BD Works has been our property maintenance man for our student rental properties for many years now, and we don't know what we'd do without him. Ben is super-efficient, super-fast, multi-skilled, knowledgeable and experienced, great at dealing with the tenants, responds straightaway to communications, gets the job done asap, and always charges very reasonable prices. In particular, he uses his initiative to deal with any issues in the most time- and cost-effective way possible. We couldn't ask for a better service.

Absolutely superb. Used this company for an emergency plumbing repair. Having advised me over the phone initially in order to turn off the stop clock etc, they attended within 40 minutes (on New Years Eve). The gentleman who attended (Ben) completed the repair and left the bathroom fully functional within 35 minutes. I cannot rate this team highly enough; friendly, professional and very good value for money. I will be using them for all such repairs from now on.

Ben Dillon quoted a competitive price for installation of a cloakroom suite. He arrived on time, carried out the work diligently, cleaned up afterwards and charged as quoted. Excellent.
