| 28-Mar-2019 | I had our lounge carpet cleaned by Andi from Executive Cleaning Services this week and couldn't be more pleased with the result. He was punctual and tidy and did a fantastic job. It's an awkward carpet to clean - it's looped pile catches in our Hoover - but Andi made it look easy. The colour looks good as new again; a pale, silvery, grey and all the little marks from various spot cleans and spillages have disappeared completely. Very pleased indeed and would thoroughly recommend Executive Cleaning Services who were helpful right from my first enquiry. |

25-Jan-2018	It was a pleasure to have Captain Rug Wash cleaning our sofa yesterday - I'd never considered having it cleaned professionally before, as I wasn't sure that it would be affordable or much better than hiring a machine or using shop-bought products on it. It was brilliant to be able to sit back and watch Andi (Captain Rug Wash himself!) handle everything - and I was amazed at the level of dirt and soil that came out of our sofa.. so much so that I asked to take a photo of it all! The level of service was second to none, and already less than 24 hours later I've had two comments from people about how nice my sofa looks now - it really does look as good as the day we bought it - and in a house with a dog, a cat and two young children, that's testament to the work provided by Captain Rug Wash. I wouldn't hesitate to recommend CRW to a friend - in fact, I already have!
