Very friendly, high quality service, and always punctual. For work carried out, the price is extremely low. We have had our fencing done today due to high winds bringing it down, and also in the past have had decking and a really lovely gate done. Our garden is secure again for the dog. Very happy customers and would use again. All work is carried out to a high spec and if Archie isn't happy he'll keep going until he is. He explains everything he is doing and going to do, keeping you updated all the way through.
