Heath undertakes the highest quality work for a superb value. He is polite, tidy and efficient during the works. We have used him numerous times throughout our property portfolio and I can 100% trust him to undertake a professional and thorough job. Heaths quotes are competitive however he is also keen to provide options to produce better longevity of the work to suit each property and their budget. I would absolutely recommend Heath if you want the job done properly, to a great standard and without any hassle.

Excellent first class professional service from receiving the quotation through to completion. The quality and standard of Heath's painting and decorating was outstanding and faultless. Heath was always on time, very polite and professional. The work was finished ahead of schedule and left everywhere clean and tidy. Heath kindly agreed to do some additional painting which was not originally quoted for. I would have no hesitation in recommending Heath.
