| 01-Apr-2016 | Really pleased with our new boiler installed by JD Plumbing & Heating. Top class service, we've even had him back for our annual service. Would definitely recommend   |
| 01-Apr-2016 | Jamie was extremely professional and discussed everything involved before the works were carried out. He discussed which boiler would best suit our needs and explained all controls etc afterwards. We would definitely use Jamie's services again. He cleaned up afterwards and left our property exactly how he found it. Very impressed! |
