Highly efficient and professional service.

Letting agent - did good job advertising property. Organised viewings promptly. Found a suitable tenant quickly. All paperwork handled accurately and promptly. Kept us well informed and followed our instructions. Friendly, cheerful, competent service. Have been using Plymouth Estates since 2006 and have always been happy with their tenant-find service and latterly with their property management service - over last few years having been handing over the management instead of doing it ourselves.

We've used Plymouth Estates since 2006 to find tenants for us and more recently for management as well. They are well organised, keep in contact, keep up to date with regulations and employ good tradesmen to do work at the rental property.
