13-Aug-2018	From the first visit to the shop to the final fitting of my fireplace, excellent service all round. Helpful, interested, informative and knowledgable staff helped me to make my choice with no pressure. The fireplace was fitted sooner than I expected and the fitters were extremely good. They were very careful and considerate in my home and left no mess at all. The fire and surround are of lovely quality and were fitted perfectly. I am so pleased and I would thoroughly recommend this shop.
03-Aug-2018	From start of project to end professional service at every level. Old fireplace removed and new recessed installation brilliant. Thank you
02-Aug-2018	From start to finish, booking the service to the Engineer carrying out the check, friendly professional customer service and work was provided by the Company
18-Jul-2018	We needed a new boiler and the heating system needed updating, We contacted Select Appliances for a quote which was very reasonable and asked them to do the work. They make sure that the customer comes first, they are very helpful and make sure the work is done to a very high standard, you can trust them to ensure the work is done correctly. All the staff from the quote to the engineer were helpful at every stage and

	nothing was to much trouble with any help we needed. We can certainly recommend this Company to anyone who is considering needing work done withing their range. We would automatically go back to them for any future work A first class company who look after their customers
