08-Apr-2019	Came same day. Disgnosed the fault and replaced the lock with no fuss. Excellent tidy job. Would use this locksmith again.
15-Mar-2019	Very professional, fast service, lovely manner.
18-Nov-2018	Sir Fix-A-Lock came to repair the lock and handles on my UPVC front door after another company failed to complete the work. Paul is very professional and is excellent value for money and does not try and sell what is not needed. Great communication skills. Highly recommended.
18-Oct-2018	Really excellent service would highly recommend
08-Oct-2018	Quick response, fast worker, very professional, good advice, pleasant and friendly
25-Sep-2018	Used Paul back in February this year for a troublesome patio door. He was out the same day - gave me various options re different ways to fix it and the difference in prices. Not in any way pushy, very professional and polite and clearly knows his business.Fixed it there and then for a good price. 7 months later it is still working fine. Would highly recommend- excellent service all round.

18-Feb-2015	Very friendly and efficient. Well pleased with outcome.
17-Feb-2015	The problem was a upvc front door failing to latch properly so we had been unable to lock it. Paul made time for us in a busy schedule, arrived at the agreed time, was cheerful, polite and tidy, and managed to fix the mechanism. It works far better now than it ever has done since we moved into the house. I would have no hesitation in using this company again or in recommending him to others. He gave us good advice about lubricating other door & window mechanisms to minimise future problems. Many thanks.
03-Feb-2015	When the indoor mechanism failed I called this company. He arrived within a couple of hours, fixed the door and did another couple of jobs for me. Excellent service at a good price.
