We were both very impressed with Andys workmanship. He was punctual very approachable and very tidy. He replaced 22 fence panels fitted a barn gate but had to rebuild the pillars as we wanted a wider entrance. He also fitted two side gates . Everything was completed on time and to a high standard . We would not hesitate to recommend him and would certainly use him again.

Lockdown intervened between Andy's initial survey and his being able to do the work. Further weather damage

	<p>occurred in the meantime. Nevertheless, Andy repaired and reused the old panels rather than supplying new ones. He completed the job (8 panels and 7 posts) in one day. This is the third time that I have used Andy, and I have no hesitation in recommending his services to anyone.</p>
10-Mar-2020	<p>Truly wonderful service and workmanship. Andy did what he said he was going to do and what I asked for.</p>
17-Dec-2019	<p>Work was carried out next door, through a letting agency.</p>
28-Nov-2019	<p>Andy did a brilliant job resetting kitchen tiles that had lifted on the window sill and also others that were coming away from the wall. He removed them, cleaned them up, and was able to reuse all the existing tiles. The area now looks as good as new and everything was left clean and tidy. Highly recommended. Thank you.</p>

25-Jan-2019	<p>I can recommend Andy P without reservation. He was very helpful in discussing the various options available, and in fact recommended the cheaper alternative. He arrived on time and completed the work rapidly and to a high standard, with minimal mess and disturbance. I noticed that - without being asked - he located his compressor behind the garage to minimize disturbance to the neighbours.</p>

13-Mar-2015	Excellent, professional service to repair my timber gates and fence. Mr Pratt was very polite, honest and true to his word. His initial view to quote for the work was within a day of me contacting him, but on his day of actual work, he arrived on time, worked efficiently and tidied up the area after the works. The quote for the works was less than I was expecting or been quoted previously from more known repair companies. I would highly recomend him, without hesitation.
