RCMR have been looking after my wife's cars for some years now. Always very pleased with the quality of the service and the helpfulness of all the staff. We trust them to do a great job, at a reasonable price and have never been let down. The best in town. If they could get my van into their workshop, they would be looking after that as well.

I HAVE USED RCMR FOR THE SERVICING AND REPAIR OF MY FAMILY'S CARS FOR APPROXIMATELY 30 YEARS. THEY HAVE ALWAYS BEEN FRIENDLY, KNOWLEDGEABLE AND THE WORK HAS BEEN COMPLETED TO A VERY HIGH STANDARD. I WOULD RECOMMEND THIS BUSINEES TO ANYBODY.

Bob Cockings has serviced our families cars for decades, later joined by Tom, who, even as a small boy, could be found enthusiastically helping his father. We have enjoyed highly satisfactory, reliable and ever cheerful advice and service throughout, and have recommended them to many, equally happy friends. Long may the dynasty continue.

I have had all my cars serviced and maintained with Bob and Tom for nearly 30 years and I can't remember ever having a complaint. Furthermore, I've only been prevented from arriving at my destination on time because of puncture(s). A regular service with Tom saves hassle!

- 12-Mar-2019 It is now over 40 years since I first started using Bob's services, he and now together with Tom have always provided an honest, reliable and professional approach, It's a pleasure to recommend this business.
- 07-Mar-2019 Being totally useless at looking after my car in a mechanical sense RCMR have taken care of looking after my BMW. Sadly it has recently been written off but don't worry I will return when I have sourced a suitable replacement - sorry Bob and Tom!
- 07-Mar-2019 I have used Bob and, now, Tom to look after my vehicles for over 35 years. They have taken great care of us over all these years and I trust them immensely.
- 07-Mar-2019 Tom and Bob, also to mention all staff, are so helpful, not sure how Tom does it but he knows instinctively what is wrong with our vehicles and is able to give a concise evaluation on how to remedy. We also look forward to our chats with Bob. I would recommend RCMR for any vehicle for in depth repairs to service. Can't fault the work carried out on our Porsche, Lexus and RS.
- 06-Mar-2019 Bob and Tom are engineers rather than just mechanics and have a proper understanding of the complex systems on modern vehicles. It is always best to get the work done correctly first time - there are some cheaper and definitely some less competent garages out there but bad repair invariably costs a lot more in the end. Our family vehicles have been going there for the past 26 years.
- 06-Mar-2019 Ive been using RCMR since Tom started. In all those years with various cars and work vans I have never had an issue. The thing I like most is when my vehicle leaves the garage I am always fully informed of its condition and any future maintenance that may be required enabling me to keep the vehicle safe. Recommend to anyone For all makes especially for Audi VW.
- 06-Mar-2019 Very pleased with the friendly and professional service from this garage. Bob and Tom are extremely knowledgeable and always do a fab job. We return every year for our mot's and service. Always a great job. Thanks guys. Keep up the good work.
- 27-Feb-2019 They (Tom and Bob) were friendly, knowledgeable, professional and did an excellent job of identifying the problems with my car and then fixing them.
- 20-Feb-2019 I have total confidence that RCMR will look after my vehicles effectively. Regards T Northcott
- 29-Jun-2018 Tom, Bob and the rest of the staff at Rcmr are very helpful, knowledgeable and friendly people. They mot and service our cars every year and we always recommend them to anyone. They may not always be the cheapest but I'd prefer to pay more to have genuine parts replaced rather than cheaper stuff. They always offer a courtesy car to help me out as well. This is a great service which I've used a few times. Keep up the good work guys. See you at the next mot.

29-Jun-2018	Excellent service, professional, courteous and able to work on both my daily driver and a 25yr old classic Audi with confidence. One of the few places i entrust my cars with.
26-Jun-2018	Always reliable and very trustworthy, highly professional
26-Jun-2018	I use this trusted garage every time i need work carried out on my vehicles. The customer service is outstanding and the professionalism is second to none. A recent MOT was carried out. I was offered a free courtesy car. Informed of the outcome of the MOT in good time and it was also apparent that previous fault diagnosis work was followed up, whilst the vehicle was at the garage, resulting in a minor part being replaced at this convenient time. This is the only garage I recommend to my friends.
25-Jun-2018	Thorough, quality work carried out. Extremely professional and polite.
25-Jun-2018	RCMR provide an honest and open approach to servicing your car. Tom even had the foresight to let me know my car needed an inspection within 600 miles of the oil service that it was booked in for. He managed to fit both in on the same visit and still charged me less than VW main dealer would. They know their stuff there.
25-Jun-2018	When my AUDI RS4 broke a valve spring. I knew this was a big job that involved removing the engine. I spoke to various specialists garages. After speaking to Tom at RCMR I was confident that he was the man for the job. He arranged the collection of my car, sent me regular updates and photos. The work was carried out to a very high standard. I was very pleased with all the work that had been done and I wouldn't hesitate to recommend RCMR to friends. Stuart
