Felina contract cleaning provided an excellent service from initial enquiry to the cleaning. Lee and her team were incredibly professional, friendly and provided an outstanding service for a reasonable price. The cleaners were delightful, they arrive on time and completed a thorough job - our house was gleaming! We liked how the cleaners provided all their own equipment. They also cared about our house and took care of it. Other providers haven't done this as well. A very professional service and would happily recommend this to anyone!

I feel it is to rushed. Skirting boards (for example) rarely done. Felina Contract Cleaning Ltd's Response: In response to the above comment, this was the first and only of its kind to have been raised by our client, following two satisfactory contracts totalling sixteen months. We continue to pride ourselves in both our consistent delivery of excellent work, and in our professional approach. Thus, our client's concerns were swiftly addressed and resolved.
