1st class service, This is he 3rd time I have had my carpets cleaned over the last 10 years by Elliotcarpetcare. The customer service is faultless and the carpets look fantastic. I wouldn't hesitate to recommend, the service is exceptional.

Faultless service. Torran cleaned a bedroom, landing and stair carpets. He managed to remove some large make-up stains and other general wear and tear stains, and now the carpet looks like new! Very pleased and would highly recommend Elliott Carpet Care.

This is the second time I have used Elliott Carpet Care. I have used other companies in the past but none of them came up to the standards that Torran sets himself and the pride he takes in his work. I had to search the house high and low for his business card, which is now in a very safe place for the future! Whilst many other companies leave their customers with carpets that are near to soaking, by the time Torran left my property, they were almost dry. This is due to the specialist equipment that he uses. I will most definitely use him again - I cannot praise his services enough. Thoroughly professional and service with a smile. Definitely a thumbs up from me!

What a fantastic find was Elliott Carpet Care is. Torran visited us to clean our lounge/dining room carpets and 3 piece lounge suite, all of which was looking tired. Though his very hard work he has brought it back to its almost former glory, something I didn't think possible. He worked like a Trojan! No moans or gripes, he just got on with it for which I am eternally grateful. Price was quoted via telephone and there was no alteration on it even when he saw the work to be carried out. 100% recommend this smashing guy, value for money? Most definitely. I have already recommended him to friends and family already! Thank you Torran, you are a knight in shining armour!

Very professional from the time I made contact about our carpets. We have a puppy and had marks from

	<p>vomit, urine etc all over the carpets, I had tried various products on the market to try and remove these stains but they just reappeared and I was feeling desperate when I phoned Torran. I am delighted with my carpets, all the stains have been removed and have not reappeared I will certainly be using Torran again.</p>
