Came when he said he would, did an excellent job and a good job of clearing up afterwards. Highly recommended.

Martin has done two jobs for me recently. He is very professional and thorough. Martin spends a lot of time on the preparation which in turn results in a really good finish. He pays a lot of attention to the finer detail. He estimated a length of time for each job and completed on time. Martin is very polite and trustworthy. I found him easy to have around. I would thoroughly recommend him and am hoping to have him back to do some more decorating for me later in the year.

His pleasant and helpful manner in dealing with us, and the cleanliness in all his work is outstanding. We will certainly use him again for any future work, and recommend him without hesitation.
