Tom Allen and his team carried out extensive exterior works along with some internal decoration to our property in 2018. He was a superb project manager and made the process as stress free as possible, mainly due to him being an excellent communicator. Tom has a creative mind, and therefore was great at making design suggestions whilst being very patient when we changed our minds occasionally! He has a calm and extremely professional manner and we would definitely like to use ALCO again should we carry out any future work. Highly recommended.

ALCO finished the work (kitchen re-fit and bifold doors) to a high quality, very promptly with a tight deadline despite us repeatedly changing the brief. The tradesmen were reliable and often came late, or even on a Sunday to make sure everything was done before our baby arrived

Tom and his team completed a single storey kitchen extension last year for us. He was an exceptional Project Manager and nothing was too much trouble. He had a team who clearly enjoyed working for him and this showed in their punctuality, politeness and humour throughout. Tom goes that extra mile. He was excellent at responding to calls and emails and if there were ever any concerns, he was always on hand to talk through them. He has a wealth of knowledge and expertise in every aspect of the building process and came up with ideas we wouldn't have envisaged ourselves. The build was finished ahead of schedule which I never thought possible and when it came to snagging, he made sure everything was completed quickly. We would highly recommend Alco Properties.

17-Jan-2017	Alco provided an excellent service from start to finish with our recent build, every member of staff were highly skilled and very approachable with any queries or amendments! I would have no hesitation using Alco again or recommend them to family and friends.
31-Jan-2016	Excellent service. Good quality workmanship. Invite to tender future contracts.
08-Jul-2015	Tom and his team were excellent. We are very happy with the work done. Attention to detail and great care of the surroundings.
14-Jun-2015	Highly recommended. We had our kitchen and bathroom refurbished by Tom and his team and we are very happy with the results. Any issues were addressed by Tom in a no-fuss manner and he even arranged for work to be done on bank holidays and weekends to get the job done as soon as possible.
18-Dec-2014	They have just completed a two-day project at my house that included repainting exterior windowills, repainting one wall of the house, repainting fascias and soffits, and applying woodstain to the main door. The work necessitated the use of a mobile scaffold tower, as the house is quite tall. I would like to say, for the benefit of other people looking for reliable workmen, that I would recommend Alco Property
17-Dec-2014	Wonderful job would highly recommend
