The most professional and reliable company I have encountered in a long time. The work was completed ahead of schedule, to a high standard and importantly to the satisfaction of my tenant. A pleasure to work with Andy and I highly recommend his company

Mr Holehouse has worked on my properties for at least 12 years. Always trustworthy, efficient and tidy. He is professional, prompt and hardworking. Mr Holehouse is able to turn his hand to many property problems and solve them.

Andy installed a new kitchen, two new ensuite bathrooms and replaced all the internal doors. All work completed on time and to a high standard and for the quoted price. Andy is always helpful and very happy to explain everything he's doing and provide options, recommendations and advice. He's mindful that he's in your house and is careful to make minimum mess and clear up afterwards. I've used him before, a few years ago to remove a partition wall, and would have no hesitation using him again or recommending to friends and family.
