Andy renovated the house top to bottom and it now looks brilliant. My parents-in-law are more than delighted with the results. They both have the highest possible praise for Andy, who was patient, accommodating and went above and beyond. They especially appreciated his attention to detail, practical suggestions and the way he took care of everything. He was absolutely the perfect person for this job.

Andy, built and fully fitted a shower room for us, fitted new doors throughout the house, repaired render on walls and replaced fascias, soffits, gutters and drainpipes. Also redecorated hallway and stairs. No hesitation in recommending. Thorough service, attention to detail, polite, timely and extremely honest and personable. Andy can do most things and any that he can't he will manage sub-contractors to a high standard. Most of all Andy is 100% trustworthy in his dealings. I wouldn't work with anybody else.

Excellent job done by Andy. date originally delayed because of COVID - 19, Andy rescheduled the work as

30-Jan-2020	<p>Andy arranged a date to start work and turned up on time. He project managed the job, engaging the plasterer and even having to work a little longer the first day to ensure everything was ready for the plasterer who came a day early. The finish is brilliant, we couldn't be happier. Andy was friendly and professional with great attention to detail. He was also very tidy. I will happily use him again and have a list of friends that I will pass his details on to with confidence.</p>

03-Nov-2018	<p>Andy installed a new kitchen, two new ensuite bathrooms and replaced all the internal doors. All work completed on time and to a high standard and for the quoted price. Andy is always helpful and very happy to explain everything he's doing and provide options, recommendations and advice. He's mindful that he's in your house and is careful to make minimum mess and clear up afterwards. I've used him before, a few years ago to remove a partition wall, and would have no hesitation using him again or recommending to friends and family.</p>
