14-Aug-2020	Recently had an outbuilding rewired. Chris is polite, prompt and great value for money. Would definitely recommend and would use again.
20-Jan-2020	This is the second time we've used Chris and yet again we are extremely impressed with the level of service and workmanship. The work was completed without fuss and with great attention to detail. Any potential issues were talked through first and a solution found. Very happy with our updated bathroom and we can highly recommend Yelloshield.

30-Jun-2017	Bathroom/Cloakroom Refurbishment. Although the work took longer than expected I was very pleased with the quality. Chris kept me informed every day of what he had done and how the work was progressing, always leaving everything clean and tidy at the end of the day. He was very helpful and always answered by queries fully and listened to any ideas I had. Found him very trustworthy, so as the work took longer I was happy for him to let himself into the house while I was at work. I feel he has given excellent value for money and I would certainly recommend him to a friend.
