28-Feb-2016	Gerry's initial response was very prompt, as was his visit to provide an estimate. Considering the turn around time I had to give him (less than a week) and the fact that the work had to be completed over a weekend, I was delighted with the estimate. He fitted my work in to an already busy schedule. Gerry's work is excellent. He is a very pleasant person and not at all intrusive whilst in the home. He left the areas he decorated, both clean and tidy. Excellent value for money. I would definitely recommend him and will be contacting him if I need other work completed.
27-Feb-2016	This was the second time Gerry had carried out work for us and the quality of the work and the level of customer service was as good as the first time. A very good job at a reasonable price carried out with no mess and a minimum of disruption to our daily lives. We will be using Gerry again later in the year when we decorate the rest of the house.
