02-Sep-2021	Great service and much cheaper than high street solicitors.
20-Jan-2016	Excellent people gave quick and prompt service in getting a copy of my Decree Absolute in record time
17-Apr-2015	The draft order was incorrect first time and then came back incorrect about 4 times after that! BUT still good value Response from Online Legal Services Limited: Sometimes the instructions given by clients have to be interpreted by the solicitor and this can cause revisions to be needed. This is a legal document and needs to be correct even if it takes revisions.
17-Apr-2015	Was good but took so much longer than advertised - (3/6 months) took over a year! Response from Online Legal Services Limited: Our timescales as advertised are expressed as an average as each case is different and there are many reasons why a divorce can take longer than advertised, such as papers not being returned on time, court fees remission not being completed correctly, court staff being off sick etc.
