I needed a new digital aerial, Gary came out to replace the aerial and I cannot fault the customer service, it was excellent. Very friendly and helpful, will definately use Thorcomm again and definately recommend to family and friends. Many thanks again.

The TV ariel was loose and banging about. I phoned Thorcomm Ltd on Saturday and they attended Sunday and didn't charge any extra which was fantastic. They were very polite and took their shoes off at the door. Very pleased with their work that they carried out and would definately recommend them.
