Yet again, the guys at Cedar Garage have done a fantastic job, this time on a failed Turbocharger on our 5 Series BMW. The car was days away from the end of an extended Warranty, yet Cedar took charge and processed the Claim in time and with success. I was advised throughout about charges and what was required. The car is operational again and the Warranty company cheque is in my bank. All our cars now go to Cedar Garage, I'd recommend them to anyone.
