Comments from consumers who have used this trader

26-Jul-2018	Top service, performed efficiently and at reasonable cost. Some useful extra information was also gained from discussion - most helpful.
26-Jul-2018	Excellent in every respect.
14-May-2018	Initially installed a Worcester Boiler over 4 years ago + annual maintenance and new Drayton trv4 valves fitted
29-Dec-2016	K Stephenson has carried out repair work and several boiler services for me. All very professional and satisfactory at prices I consider to be reasonable.
10-Dec-2016	Kevin installed my boiler eight years ago and has come regularly each year to service it. He is an excellent Heating Engineer and keeps my boiler running well, and I would not hesitate to recommend him to anyone .He is always helpful and courteous and I look forward to seeing him every year when he arrives at my door to service my boiler ☐ I know my boiler is in good hands. It was good to meet Max this year who seems to be carrying on his father's skills very efficiently.
09-Dec-2016	The work (New boiler installation and associated new pipework.) was carried out on time and in neat and careful manner.. Everything was explained to us at every stage. Due to health problems heating is vital to us and arrangements were made to ensure the system was 'down' for as little time as possible. Politeness was obviously a matter of course to them and was a refreshing change from today's normal.
01-Dec-2016	competent and friendly, will use Kevin and Max services again.
30-Nov-2016	Kevin installed our new boiler several years ago and has provided a quality routine service every year
28-Nov-2016	
27-Nov-2016	I have used Kevin's Services for many years and find his work excellent. He now has Max as his apprentice who is keen to learn from Kevin and will be an asset to the company. They are very pleasant and work hard to

25-Nov-2016	keep the customers happy. I would always recommend them to friends and neighbours.
25-Nov-2016	Kevin has done work for us for some years and is always reliable. Clean and tidy in his workmanship, very happy with the service provided.
25-Nov-2016	As above
24-Nov-2016	I have no complaints at all. Kevin installed my boiler 10 years ago and has looked after it ever since, apart from a short period when the house was let and the tenant made her own arrangements. He works with care, is reliable, and I have complete confidence in his expertise.
24-Nov-2016	I was extremely pleased with the service and workmanship that I received from Kevin and his son and would highly recommend them.
24-Nov-2016	K Stephenson Heating Services With an appointment, you rely they be on time and won't let you down. Professional with the work carried out. Take great care not to cause mess than can be helped and clean up after the work is completed. If called for an emergency they will call ASAP and access what is needed to correct the situation. I find them to be pleasant and friendly And would highly recommend them.
24-Nov-2016	Kevin Stephenson has installed two new boilers (in different houses) and provided regular servicing for the same for us for nine years. He also completed some fairly radical plumbing work in this house, to great satisfaction. He has always been pleasant and extremely helpful, coming out to help in a crisis.
24-Nov-2016	Kevin and Max serviced our boiler on Friday 21st October 2016, having installed the boiler system the previous year. A very professional and helpful service, together with being very tidy and polite.
24-Nov-2016	We have received excellent services from Kevin and his team, extending back over more than 10 years. Installations and service visits have been executed efficiently, on time, and within budget. In our opinion this company goes the extra mile for their clients and we recommend them without hesitation.
24-Nov-2016	Efficient professional and friendly
23-Nov-2016	Excellent service, fast efficient
23-Nov-2016	I have used this trader for five years covering - 1) removal of old boiler 2) installation of new boiler and pipework etc 3) subsequent annual inspection for five years I have no hesitation in recommending this trader.
23-Nov-2016	The annual servicing work on our boiler was carried out by Kevin and Max to the usual high standard again. I have no hesitation in recommending the company.
23-Nov-2016	Efficient and no messing about
23-Nov-2016	Good quality service - as in previous years
23-Nov-2016	New Worcester Bosch combination boiler fitted November 2015, just had first service November 2016. Service has been excellent from a very good heating

23-Nov-2016	engineer. I have two Worcester Boilers for the Central Heating installed at my previous and current premises Annual service Recently a new thermostatic control valve and radiators flushed through
23-Nov-2016	Good clean work carried out with professionalism and friendly service.

23-Nov-2016	
23-Nov-2016	Have used this family owned business for a number of years. They always arrive when they say they are going to and sort out the problem in a knowledgeable and professional manner. Very tidy work and never seem to find any unexpected nasty (expensive!) problems. Would recommend their workmanship to anyone!
11-May-2016	Excellent, hard working and explained everything.
10-May-2016	Excellent planning to provide the most efficient, practical and unobtrusive option. Knowledge of local house design beneficial. Kevin went the extra mile to deliver an excellent result rather than cut corners. Well organised and tidy at all times. I would recommend him very highly
06-Apr-2016	Very good service - thorough, efficient, prompt and reasonably priced
27-Mar-2016	Kevin installed a great heating and hot water system on our old house. Kevin also serviced this every year, with no problems. When we moved recently and discovered the boiler wasn't working, Kevin came round quickly and installed a new boiler promptly and efficiently. Kevin also sited the boiler to fit in with our plans to extend the property. Excellent service.
16-Mar-2016	Reliable and trustworthy
08-Mar-2016	Superb. Kevin was easy to contact, responded promptly and provided an accurate quotation. He was available promptly and arrived on-time. He was polite, friendly and professional and was happy to explain every aspect of the work undertaken. The work was completed efficiently and to a high standard. On completion of the work, the invoice was provided electronically. In summary, an excellent service from an experienced professional tradesman - highly recommended.

06-Mar-2016	
03-Mar-2016	Kevin charged as quoted to carry out the repair and service to our boiler. He arrived on time and carried out the work leaving the area clean and tidy. The boiler is now working fine so we are very pleased with the work he carried out.
02-Mar-2016	Excellent. Kevin installed our boiler 7 years ago and has serviced it every year. He has also carried out a number of other jobs related to the heating system. We would highly recommend Kevin. He is always on time, courteous, friendly, and considerate. He always does a very good job and leaves everything clean and tidy when he finishes. All in all, highly professional.
01-Mar-2016	Prompt response to service request. Courteous and clearly a first class engineer. I have no hesitation to recommend him to any-one wanting safe and thorough service.
01-Mar-2016	Customer service of the highest standard. The work was carried out on time and to a high standard. Recommended.
25-Feb-2016	Kevin advised on and installed our new boiler system almost 10 years ago and has serviced it every year since then. Work has always been done quickly and efficiently and I would highly recommend Kevin to anybody looking for a high quality boiler engineer.
25-Feb-2016	
23-Feb-2016	Excellent work carried out tidily and on time with no hassle and to a very high standard.
23-Feb-2016	Excellent service over many years.668C
23-Feb-2016	Excellent service as usual from Kevin, visited at short notice and on time as usual.Work completed, heating system back to working order.
22-Feb-2016	Kevin has carried out all our plumbing and heating maintenance and repairs at our property in Arundel since 2010. Kevin does a first class job, always gets to us quickly, is very clean and tidy and is very trustworthy (we give him a key!). Would highly recommend
22-Feb-2016	Kevin has installed a new boiler and serviced it and another for me for a number of years. I have never had any problems with the work he has carried out. He is always flexible on dates, turns up when agreed and on time and leaves the area he has worked in clean and tidy.
22-Feb-2016	Arrived on time , completing the Job quickly leaving no mess for the agreed price, we would happily recommend Kevin to others.

21-Feb-2016	
21-Feb-2016	Always reliable, helpful, excellent workmanship. Would recommend.

21-Feb-2016	Mr Stephenson installed my gas boiler and has carried out a yearly service to a five star standard for the last five years
21-Feb-2016	Small friendly family business - excellent service and reacts quickly if you have a problem.
21-Feb-2016	Kevin was recommended to me by a friend and I've recommended him several times to others, all with positive feedback. Kevin is reliable, honest and thorough in cleaning up after the excellent work. I can't recommend him highly enough.
20-Feb-2016	The company has installed and serviced our heating system at various times over the last 10 years ... all work was completed on time, within budget and to the highest standards.
19-Feb-2016	looked for a local accredited Worcester-Bosch gas installer on the company website about 4 years ago and have used him since then and expect to do so this year (2016) also; arrived on time, carried out service as set out in the boiler service manual and also a repair and provided a report of his readings (and a print-out) as anticipated in the boiler service instructions (which I had read) and completed the checklist within, all for a fairly standard charge as far as I know.I've not experienced any problems although to be totally fair the boiler was a new installation in July 2010 and we rarely experience severe winter weather
19-Feb-2016	
19-Feb-2016	Kevin took the time to advise me on the most suitable heating system for my home. He installed the system with the minimum of upheaval, a very tidy worker. He took the time to make sure I knew how the controls worked. I am very pleased with the work and the price paid.
19-Feb-2016	Super nice chap - reliable and trust worthy - have recommended him to many friends and relatives. Kev has looked after our heating for several years
19-Feb-2016	Mr Stephenson has always been ready to help me with my central heating, gas and water within 24 hours and if a new appliance has been needed then the work has always been carried out in a very short period professionally with great satisfaction and confidence.
19-Feb-2016	Extremely professional and Kevin's attention to detail sets him apart from other gas heating engineers. Wouldn't hesitate to recommend Kevin
19-Feb-2016	Kevin is a very good gas boiler engineer, and we were very satisfied with the final outcome. The Worcester Bosch boiler is very good, and should give us good service.
19-Feb-2016	Clean, tidy and efficient.
19-Feb-2016	Kevin installed my boiler in 2006 and has serviced it most years since (the exception was when the house was rented out to a tenant who employed her own boiler engineer.) I have always been very happy with Kevin's work and service. There may be slightly

19-Feb-2016

cheaper people on the market but I would rather pay for a service I can trust.

19-Feb-2016

Excellent personal service

Excellent professional efficient, clean works,fast and reliable. I will not hesitate to call him again Very good person.

19-Feb-2016

Kevin was quick to answer the phone and came out to my property at short notice, fixed the problem and at a very reasonable price too! Thank you, highlight recommended.
