22-Jun-2021	Initially the drive looked great (Sept 2018), but by the spring of 2019 a crack appeared. After a huge amount of badgering (and via their supplier) a limited patch repair was carried out. It cracked again within days and looked awful. A further huge amount of badgering, and another larger area repair was eventually carried out. It looked worse. Eventually again after many emails, Dan Whittaker agreed to redo the whole front, with a promise of May this year. Alas, here we are in June and in spite of several reminder emails, still no repair. Needless to say I DO NOT recommend this Company.
03-Dec-2020	Dan and his team are very professional, helpful, flexible quick and proficient workers and we are very pleased with our new driveway.
27-Apr-2015	I am so pleased with my new terrace, even better than I expected. Dan and his team were hard working, efficient and polite. They cleared up everyday, did a fantastic job. My terrace is stunning. They did more than we agreed and stuck to the price, very fair and very open. I 100% recommend Whittaker Paving.
