Have used this company in the past and as always the work was carried out in a professional and friendly manner to a high standard of workmanship

Great service from start to finish from all the team. Accurate quote, completed in a timely manner and we are very happy with the results. They definitely provide a better service than we have received in the past from other glazing companies.

Came out at very short notice to quote for a broken double glazing panel. Sent the quote back very quickly and did the work very well, turned up when they said they would. Both the estimator and the fitter were very pleasant and helpful. Wholeheartedly recommend Worthing Glass and would happily use them again.

Having had a dreadful experience with a previous Double Glazing contractor. My opinion has changed after using Worthing Glass. The whole experience was very Business like and friendly from the start , right up to the very clean and tidy installer fitting the window. I would definitely recommend Worthing Glass.

Had a few quotes for Windows when we were looking for replacements and worthing Glass impressed me from the outset. Our first meeting was with Darren, who came round to do the initial measuring and putting the quote together, I got a great vibe from him to start with, he gave us some good honest advice and didnt try any pushy sales techniques to make us go for more than we needed, he made feel confident to move forwards with Worthing Glass. From that point on I have only been impressed further with Worthing Glass, the communication was great and the service was second to none, I would rate them again and again. Thanks guys.

Clearly itemised quote was given promptly. Fitter arrived on time, was friendly and worked non-stop. He was also very honest and noticed that a set of hinges which had been quoted for only needed adjustment

	rather than replacement - price was reduced to reflect this. He was very careful to remove plants etc and replace them when he had finished. He worked very tidily and cleaned up carefully. Quality of work and windows is very good. I would use Worthing Glass again and would recommend them
26-Oct-2018	Quick, polite, helpful.
06-Oct-2018	We had to replace 3 doors and a window in our utility room. We choose Worthing Glass because they were recommended by people down our road who had a similar job done and they were delighted. We cannot fault them on the quality of their work, their efficient communications with us over the whole project and the value for money we think they provided. A very friendly and tidy bunch of guys.
22-Sep-2018	Worthing glass are an amazing team and very good and work very hard
29-Aug-2018	My phone enquiry was followed by a quick and clear quotation which i accepted. A completion date was arranged to suit and the fitter carried out the work to a high standard and cleared up and cleaned the window when finished. I would recommend this company for their professional service and will use again when needed.

21-Jun-2018	Courteous and efficient
18-Jun-2018	Was as discussed beforehand and the price agreed was as invoice. No 'upfront' payment. Arrived on time. Worked cleanly and tidily. Courteous and understanding of need to ensure security of pet. Left site in pristine condition Provided for their own refreshments (although obviously we offered!)
23-May-2018	Very courteous and helpful service from all members of the team. Prompt replies to all enquiries. Thoughtful advice given on the most suitable and safe product to use. Trustworthy and genuine. Very happy for feedback to go on to website but without my and company name.
11-May-2018	Extremely efficient polite and tidy with expert craftsmanship and superb finish
30-Apr-2018	Communication was good. Everything was agreed officially via e-mail. When the window fitter arrived he talked through everything that had been agreed. At the end he demonstrated the features of the window to show that all was in order. The fitter was very tidy and friendly.
12-Mar-2018	First Class from start to finish
07-Feb-2018	Punctual, competent, polite, ten out of ten.
27-Oct-2017	Excellent from start to finish. Darren was very helpful when giving the quote and on time. Work done promptly and very pleased with the result.

12-Oct-2017

I could not fault their work, from Darren who gave the estimate to Jonathan and Hector who came and replaced the two Bay Windows. They were very polite, tidy and worked very hard the whole time they were here.

10-Oct-2017

Required double glazed units to be replaced with triple glazing and air vents to be filled in to reduce street noise pollution. Called in three companies to give quotes. Worthing Glass were, in my view, more professional in explaining what was required. Quick, efficient, punctual and very polite company and personnel to deal with.

06-Jan-2015

Excellent service from quotation to installation.
