Very satisfied with work carried out and would recommend MB Carpentry to others.

Mark and his colleagues did an excellent job in completely stripping out and re-fitting and redecorating our bathroom. They helped us to identify the most practical and attractive layout and recommended suppliers for furniture and fittings. They arrived as scheduled and made good progress throughout the work. Mark coordinated the various trade inputs well. He diligently pursued the furniture that didn't turn up - something that was completely the fault of the manufacturer. After we identified a suitable alternative he got this fitted promptly, and negotiated for us to receive substantial compensation for the inconvenience caused. Previously Mark had built an extension for us. We would recommend Mark without hesitation.

The work was carried out to a good standard and completed within the estimated time. Mark is a very clean worker and apart from the fact that the work had been completed you would never know he had been here.

Mark is always a pleasure to have working in the house - great time keeping, excellent workmanship and always leaves the area he worked in tidy. I've recommended him to many friends who are also very pleased with his work.
