Excellent all round. No buts; this was a first class service in every respect.

We had Andy out from Grays Locksmiths today and what a great service, He was here 3 hours fixing my Patio door lock (That I so badly tried to fix myself) and he did such a great job and would not leave without us being 100% happy with the job. All within a fixed pre agreed price as well. Faultless standard of work and a nice polite chap as well. Breath of fresh air to get a tradesman who cares and does not try and rip you off and leave the job 1/2 done. Always recommend them without hesitation. Thanks

Fast, efficient, friendly service. Was able to gain access to our home within minutes, fit a temporary lock, and then return the following day with a new lock. This was something that an earlier "locksmith" had been unable to do!
