The level of service was outstanding. Both David and his employee carried out the work very professionally, quickly and efficiently. The Shutters look amazing throughout my house and have had lots of compliments from friends, family and even strangers passing by. From start to finish, David has been very professional, along with a very polite and friendly attitude. My husband and I would 100% recommend David and his company to anybody.

The whole service went without a hitch. The only remark I have is that the material comes from China and we had to wait 3 months for the Shutters to arrive but we knew it would take time so if anyone is ordering and I highly recommend Habitat, quality and workmanship is excellent, you cannot be in a hurry.
