02-Dec-2018	I had three heating issues, one of which Nick was kind enough to offer advice for on the phone and I was able to resolve it myself. He sorted out the others. Nick is reliable, genuine and thorough.

22-Feb-2018	Very fast response to enquiry and work was completed next day. Very happy!
23-Jan-2018	Had a leaking elbow joint in the cold water system. Did not feel confident in tackling the job myself as did not recognise the type of fitting. Turned out to be a copper push-fit! Nic came when he promised, replaced the joint with a conventional compression fitting. He was polite, clean and friendly. Would certainly use him again.

04-Jul-2015	My electric shower broke and I needed a new one immediately. Nick from N C Plumbing & Heating came out on the day I called him (a Friday) to take a look, and then came back on the following Monday to fit the new shower. He gave me good and balanced advice on the options I had, and what would be most cost-effective in the circumstances. I was delighted with the work done, and would highly recommend N C Plumbing & Heating.
