Very happy with his visit today - I'd left a message and he rang back that evening.

Mike and his team were excellent - friendly, courteous, honest, clean and tidy. All work was carried out to a very high standard, excellent advice provided when needed, without pressure or overselling, and nothing was too much trouble. All the little other jobs they did on top of what they were there for must have saved me a fortune (eg unblocking a drain, fixing a leaking drainpipe) I would not hesitate to recommend this business.

A very cheerful man. Prompt with value for money. A great standard of internal finishing.
