We collected our new to us caravan from coastline caravans in March. Staff where very polite and helpful. Hannah could not do enough for us. Anything we asked, we got. The caravan was kitted out And already had more than the essentials. We are so happy with our new purchase and would highly recommend. We can only voice the reviews already. Very professional thank you again

When upgrading our Caravan we decided to have a look at Coastline Caravans. We heard some great reviews on sites we had stayed at nearby. We received a very warm welcome, Hannah Kindly opened up a couple of caravans on our arrival for us to look at. We decided to take the plunge and upgrade. The service we revived was so Warm. Their professionalism really is second to none. We are so happy with our new Caravan, And we would highly recommend Coastline to friends and relatives,. Thank you Again for all your help, we will send you a postcard on our travels as promised! Sarah, David and Kids

We decided to return to caravanning after several years. We saw one on the Coastline Caravan web site and arranged to see it in the flesh. We received a very warm welcome from Hannah who showed us the caravan and then left us to it to check it over, Having decided it was for us I asked my daughter and her family to give it the once over, they were very impressed and so we paid our deposit. It transpired that our son in law had used this company many times for spares and was always impressed by their service. On collection Ian showed us how everything worked and even included new tyres, a spare and double steps We are now the proud owners of a superb caravan provided by a company whose attitude to customer
