Bought vehicle based on Allan's reputation and were not disappointed. Would do the same again if we ever needed to.

18-Jul-2018

As with every old vehicle, things go wrong, and in this case, the radiator split leaving me with a puddle of coolant under the vehicle. A quick chat with Alan to describe the issue, a couple of photos, and the problem was diagnosed remotely, and booked in there and then. Dropped the vehicle off, and 3 hours later returned to collect my now healthy vehicle. The standard of work is excellent as always, and great value for money. Alan definitely sets a standard that other companies should follow.

First time using Allan as he came recommended from other Bongo owners in the area. Friendly welcome, took time to understand exactly what I wanted, agreed the work to be done. When I went back to collect the vehicle, we had a really good chat about the state of my vehicle and what work needed doing to it. Allan really does know his stuff with Bongos - you would be foolish to look elsewhere.... Thanks for everything, and I'll be back again and again.

Excellent service as always. Allan is honest, trustworthy and reliable. He's also fairly priced and the work is always completed in a very reasonable time frame. A rare find! Couldn't recommend him more highly.

Came in for A/C Service and top up. Done absolutely perfectly, promptly. Added leak detection for free to help with any future problems.

Wouldnt trust anyone else to look after our Mazda Bongo, honest, reliable, friendly and knows everything there is to know about Bongos. Its reassuring to go to a garage and know you wont be ripped off and that your vehicle is in safe hands.

28-Jun-2017	Allan has maintained, serviced and mot'd (mot by others) our Bongo van for years. We have recommended him to several friends. We no longer live in Plymouth but continue to use his services and are very pleased with them.
28-Jun-2017	Allan is a really nice guy who knows what he's doing, and doesn't rip you off. He also explains himself clearly, and doesn't do in necessary work. His prices are reasonable, and his turnabout rate is very quick. If you want an honest, reliable garage, Allan's vehicle services is the place to go.
28-Jun-2017	We go to Allan with any problems on our Bongo all the time. He always gives you time for a chat to explain everything even if he's really busy. Which is all the time! We genuinely wouldn't go to anyone else now.
28-Jun-2017	Excellent communication via the Facebook page to keep me updated throughout the repairs. Costs were clear and I would highly recommend Allan to other vehicle owners.
27-Jun-2017	Fantastic service this man knows what he is doing is been to 2 other garages with no results of what was wrong with my car but he had it fixed in a jiffy lovely man and dog friendly would definitely recommend 5**
04-Nov-2016	I have found that Allan Vehicle Services have a very high standard both in their customer service and work. Allan is a perfectionist (especially when it comes to Bongos) and he made sure that all the more susceptible parts of the underside had a double treatment. There are no cutting corners. You will also find Allan warm and welcoming and he is more than willing to give advise, which is very helpful as he has a wealth of knowledge gathered over his years of experience. I would say that it is a pleasure to find a trader that actually works for you as a customer. "Good old fashioned values".

07-Aug-2015	Originally I went to 4 garages with my Bongo, I then drove to Plymstock and Allan diagnosed what was wrong just from the sound of my vehicle as I arrived. He is a genius and I would not trust my Bongo to anyone else. He is a genuinely nice person to deal with. Watching him work is a memorable experience - unconscious competence!
07-Aug-2015	I am disabled & Allans always makes life easy for me.
19-Jun-2015	A Mazda Bongo is like a member of the family, treasured, valued and temperamental. Allan is the only man I would trust with Bonnie.
19-Jun-2015	As always great service from Allan. Friendly chap providing a personal service. Knows what he's doing, does a great job and doesn't charge the earth. Highly recommended, have been using Allan for about 3 years now for all my repairs.
18-Jun-2015	The service provided by Allans of Plymouth is superb, nothing is too much trouble & Allan will explain in great detail what is required to keep your vehicle in tip top condition. His knowledge of grey import vehicles can only be described as extensive, from engine transplants to under sealing Allan will do the job. Allans will always tell you the cost of a job (which I have always found reasonable) up front so there are never any nasty surprises. I would never hesitate to recommend this garage! 5 star service every time.
