Very quick from point of valuation to sale of property (7 days). Matt is a very friendly, helpful and knowledgeable valuer who provided us with all the information needed and really sold Home Connexions as a brand. Everyone in the office (particularly Karen) have been extremely helpful and timely in communicating viewers/offers. Home Connexions offer more than local competitors and for a cheaper price. Would absolutely sell with them again!

Absolutely outstanding service. 100% recommend.

I spoke with different estate agents prior to putting my house up for sale but i'd been told Home Connexions were excellent and, having spoken with them, no-one else came close. From my initial enquiry to Tony, to the subsequent valuation with Matt, to the various members of staff who provided regular updates - the service was first class. Tony phoned me swiftly following my enquiry and Matt was knowledgeable, attentive and fantastic to deal with. The office staff regularly updated me, arranged numerous viewings and kept me updated throughout. The advice from everyone was excellent, the staff were friendly, polite, enthusiastic and cheerful in all our dealings. Most importantly the house sold within 7 days, and for over the home report value. Thank you and i highly recommend you!
