He had a fair distance to come but arrived promptly to replace door lock. Pleasant, competent & job completed very satisfactorily at a reasonable price. Will happily recommend this business.

The extreme heat had caused my front door lock not to engage with the keep. I telephoned James, he gave me an estimate and within half an hour he had called, diagnosed the problem and remedied it. Security is so important that I was very happy with James' work today.

Couldn't ask for any more. Polite, efficient and tidy.
