| 16-Nov-2020 | Kirsty's kitchen is literally a lifeline for my 104 year old grandmother as she is now unable to operate the microwave and has trouble moving about the house to prepare food. The hot food deliveries have taken away so much stress and worry for both of us. They have continued to offer an exemplary service throughout the upheaval of the pandemic and are always happy to speak on the phone with any concerns we have. We are so grateful they are there. |
