Excellent salon taking the quality of service in the local area to a new level. A very welcoming and professional salon, great for both males and females!

30-Mar-2016

Fantastic service. Clean, modern and relaxed atmosphere. As a new customer I was made to feel welcome with a convenient appointment offered at short notice. On the day every step of the colour and cut was explained and the finish was excellent. My husband has since tried the barbers and was equally as pleased with the service. Will both be returning and would definitely recommend.

This is not exceptional service for just one day, this is the level of service that one always gets from this business. It recommended without hesitation.

Not only is the Leading Edge a great salon, it has a very friendly and happy atmosphere from the minute you go through the door, until your treatment is completed. The staff are all highly professional and you know your in great hands with their vast experience and expertise.

All Leading Edge staff provide a professional service, are very welcoming and cheerful. It's a tonic to attend the salon whether it is for a new hair style, beauty therapy, a great manicure, podiatry advice or a great, healthy diet. The atmosphere in the salon is always positive and they are a great community spirit, helping charities for Tameside.

I love coming to the leading edge hair and beauty. They make you feel welcome and looked after, it's never a problem for me to bring my children if I need to and when my children come for themselves the staff are friendly and they love coming to see big bad Barry who cuts their hair. I have used most of the services they provide and have never been disappointed. I always get a lovely welcome from Alan the receptionist. They make the effort to remember you and family, never find my self having repeat

	conversations and the normal chat you get from other salons. I have been a customer for around 4 years...and many more
26-Mar-2016	Always a friendly, welcoming environment. Very spacious and relaxing. My hairdresser Jessica is excellent and knows all there is to know about colouring, which is very assuring. I wouldn't go anywhere else and highly recommend this salon.
24-Mar-2016	very happy with the all aspects of the service
24-Mar-2016	I have been coming to Leading Edge for over 2 years now and have received excellent service. The staff are very efficient, always willing to give advice and more importantly listen to your requests. The atmosphere is very relaxed and friendly and I would recommend this salon to all my friends and relations.
24-Mar-2016	The staff are very friendly and extremely professional. They take pride in their work which means the customer is going to the best results for the money. Complimentary cups of tea or coffee are regularly offered, and there is a comfortable waiting area with TV, magazines, toys and colouring bits to occupy kids (and yourself). The salon is easy to find and the prices are competitive. I'm really pleased to have tried this salon which is now my regular place to go and get pampered. I'd also like to mention that they are a Transgender friendly establishment, though the staff are so nice, it'd be hard to picture them being anything other than cheerful and friendly to anyone.
23-Mar-2016	Outstanding and professional service provided. Staff were extremely polite, helpful and ensured that you were comfortable throughout your time with them.
23-Mar-2016	Excellent service had a fun and relaxing time
23-Mar-2016	I started visiting this salon just before my wedding and Monika who does my nails there is amazing, she is so good at her job and really lovely to talk to for the hour that you are there. Sometimes I take my friends with me as I know they will be just as pleased as I am when I get me nails done! She is that good that I would not consider any one else!! All the other staff are very friendly and make you feel comfortable and welcome. I would highly recommend.
23-Mar-2016	Had hair and nails done. made me look like a million dollars. colour put on then had nails done. time saving with a professional finish
23-Mar-2016	Always 5star service. All staff are warm and friendly with professional service. Best hair and beauty salon in Tameside. Never running late, appointments are always on time and nothing's too much trouble. The salon is kept modern and clean and is very relaxing, I wouldn't go anywhere else. The company keep the staff focused on customer service and are always looking for ways of improving this. They have recently introduced technology to keep clients reminded of upcoming appointments which is ideal for people with busy lives.

23-Mar-2016	Always get an exceptional level of customer service when visiting Leading Edge. The staff are so welcoming and nothing is too much trouble. I particularly like being able to browse round the display of handbags whilst in the waiting area, which are good quality and great value for money!

23-Mar-2016	The customer care at Leading Edge is excellent. They take care to understand the customers needs and go the extra mile by engaging everyone in interesting and relevant conversations. They have a wide range of complimentary products from top brands which help hair care between visits to the salon. My wife particularly likes the Milkshake brand which isn't available where we live and therefore this is another reason why we visit Leading Edge. Barrie always serves complimentary drinks and on occasions, snacks such as donuts and biscuits are provided. The salon is modern, extremely clean and there is plenty of entertainment in the form of a television and pool table in the men's part of the salon. Excellent service has been provided on every visit we've made!

29-Feb-2016	From the moment you walk in the door at The Leading Edge the first class customer experience begins. The staff are professional, friendly, courteous and absolutely nothing is beyond request. I have experienced hair appointments where the stylist will discuss the most suitable options for you personally, taking into consideration that everybody's hair and skin tone are different. I've had my nails done 4 or 5 times now and they look perfectly polished with after care advice to get the most out of them. Beauty appts are carried out in a lovely relaxing environment and I can't wait to try other treatments available. I speak as a female and I am rating my experience but they also have a great barbers within the salon with entertainment to keep the kids more than happy whilst you have your appointment. This business really is a one stop shop where you can have a full makeover, using high quality products at great value by the expertise of this fabulous friendly team. I have no hesitation in recommending them.
