Exceptional service from start to finish. Attention to detail was superb and nothing was too much trouble. The difference our new fencing has made to our garden is extraordinary. A difficult job to do due to the nature of our garden but Pete & Karina made it appear seamless. We are very impressed and would highly recommend.

Pete & Karina were excellent from quotation to completion. They understood exactly what was required, offered sensible suggestions, carried out the work efficiently, cleared all the old materials and provided all round superb service.

The partnership of Pete and Karina work well together, they provided a first class service. I can't speak highly enough of them, Very competitive price combined with first class work. The quality of materials was of a high standard. Unfortunately they incurred several unforeseen problems which they overcame in a very professional manner, to say they went the extra mile would be an understatement. They kept me in touch at every stage of the job, also they are very polite and fun to be around and hardworking, yet with their eye on the job. They come highly recommended.

Pete & Karina were fabulous, so patient and nothing was too much trouble. Their work was impeccable and on time and left the garden very tidy. Their pricing was honest and Pete never tried to upsell at any point... and gave me advice on what I did and didn't need! Very pleased and would definitely recommend.
