I approached Dwayne regarding a very worrying leak in the roof. He came around at a time convenient to myself, to provide a precise and incredibly reasonable quote. He did the works required there and then with fantastic communication and lots of supporting photographs. However, this review does not reflect the fact that I am a single, vulnerable woman who was anxious about who to do the job. I invited asked him to do the works and was left feeling very safe, reassured and as if I have found a roofer who I trust enough to do future works without hesitation. I would also be pleased to recommend to friends and family. Could not recommend highly enough! Thank you Dwayne.

Outstanding knowledge of products required to do my major pitched roof repair. Job completed in good time for a very reasonable price and to a very high standard. I would highly recommend as I have now used Dwayne for complete flat rubber roof, pitched tiled roof and my conservatory roof replacement. All jobs were completed promptly with all waste and mess cleared. Highly recommended.

05-Jan-2019	I obtained the contractors details from the Tameside Trading Standards website and called Dwayne on the 31st of December to ask for a ridge tile to be replaced. I sent photos of the problem and received a reply shortly after where we agreed weather permitting Dwayne would contact me in the new year. I received a text on the 2nd and the work was completed first thing on the 3rd of Jan. Very professional, no fuss approach, excellent communication and at reasonable cost. The rest of the ridge tiles were checked and did not require attention.
05-Jan-2019	Dwayne recently repaired a hole in my roof and replaced flashing on my bay window.. he was very responsive, efficient and charged reasonable rates. I had a problem with some adjacent tiles on my roof in the recent high winds.. he came straight out to help same morning and everything was left tidy and complete whilst I was at work... I Would have no hesitation to recommend him
