Jim was excellent on doing my disability adaptations. I had a garage converted into a wet room. He gave good advice. There was a small issue with his Electrician but I discussed this With Jim and he corrected things. work carried out to a high standard. I would happily use Jim again. he worked well on a difficult sight. He was very thoughtful.

Mr Meikleham was very thorough in talking through the work required at the first meeting before giving an estimate for the work. He was also very helpful when some problems with the existing drainage were encountered and in offering various solutions. The work was completed within the time frame estimated and Mr Meikleham was very well organised with all the sub-contractors turning up on schedule. I was very happy with the way the whole project was handled and with the finished product.

The work carried out by A1 builders is exactly what we got A1 service and fantastic quality of finish. We would recommend anyone who needs work doing to contact Jim and his team.

27-Mar-2017	Great level of service, wet room fitted at convenient time to suit and in timescale.
25-Jan-2017	Excellent work carried out. Very professional and friendly staff.
14-Nov-2016	First class .good time scale from beginning to end which for us was 5weeks,ongoing updates with every stage of job,quality finishes in large wet room with disabled facilities..mono block pathway for garden access and area around extension landscaped .Very obliging team of workers would certainly recommend ..also jim worked hand in hand with architect and building control so good project management ..fantastic extension ...
07-Oct-2016	From start to finish the quality of work from the team of workers was excellent..it's a transformation the workmanship was top notch alot of awkward bits and bobs which they done an amazing job of them!! The bathroom is now looking amazing and it's great to have the adaption for my disabled husband!! Now tried and tested I would recommend them 100% to anyone to get the job done at a very high standard of work!! Thanks Guys!!
26-Aug-2016	We have used A1 builders in the past to fix a neighbour's wall through our car insurance. The level of professionalism we experienced made us sure that we wanted to use Jim and his team for our house extension this summer. It was quite an awkward design but Jim made sure that everything worked, even allowing us to make changes as we went along. His attention to detail and meticulous nature meant we could trust that everything was completed to the highest standard. We are so pleased that our house is now finished and wouldn't hesitate to use Jim and his team again in the future for anything as they do almost everything!
21-Jul-2016	Mr Meikleham consulted on a job which another contractor had completed to an unsatisfactory level. He gave free, unbiased, clear, honest advice and cost estimates as well as solutions to the rather messy and complicated nature of the problem. I would have absolutely no hesitation in employing Mr Meikleham. He replied to my phone message almost immediately. Met his appointment time promptly and was extremely forthcoming and helpful. What a luxury to find such an honest builder.
22-Apr-2016	Jim, Paul and Ryan provided services to convert our bathroom into a wet room, and throughout, provided a top class service with quality workmanship. We were delighted with the service from start to finish, and everything from initial preparation and final cleanup was undertaken with thorough professionalism. Would definitely recommend them, and will use them again if the need arises.
15-Mar-2016	Excellent service for disability adaptation for showerroom

We would like to thank Jim and his team for the work they did converting our bathroom into a wet room. They started on Monday and as promised finished on time. They were helpful and accommodating, leaving the toilet always available. Thank you again, I would have no qualms recommending A1 Builders, hassle free and tidy. Their name says it all. Thanks again Jim.

A1 Builders have done a brilliant job installing my elderly mum's wet room, also replacing the ceiling and putting in new lighting. The room is looking beautiful, almost too nice to use! Jim arrived when planned and finished the job with his team in the timescale he had given, and all the mess was cleared up before they left. I would definitely go back to A1 Builders for further building work and I have no hesitation in recommending them, including to people who are vulnerable due to age or disability.

Our roof lost 4 apex tiles during Storm Henry. I called Jim the next day and he carried out a survey and quoted for the work (very reasonable) the same day. Next morning the work was carried out even although there was no one in the house to make payment. This is the second time that I've called on A1 Builders and I wouldn't hesitate to call them again or recommend their work. Fast, quality work at a fair price !
