10-Nov-2020	Michael was great. The work was carried out on time and to budget. We had a flat roof repair and everything was repaired cleaned up and fixed with no hassle or issues. It's so nice not to be raining in our bedroom anymore. Thank you to michael and the scaffolders for being so nice, polite and understanding
01-Sep-2020	I had a chimney stack removed and gutters cleared. Mr Stenning was Knowledgeable, Polite, Conscientious and tidy in his work. The costs involved were also reasonable. I am happy to recommend this roofing company and use him again.
01-Sep-2020	Provided a verbal quote which we both agreed on. The work was completed to an excellent standard.
07-Jun-2020	Mike was one of three roofers we had around to advise on a leak in our roof. Mike was by far the most thorough and professional so following his quote we

	<p>went ahead with him. COVID-19 and Lockdown then hit so the job was delayed by three months but Mike stayed in touch throughout to keep us up to date on potential timings and when his suppliers would open once again. Once the job started and the roof was off, further problems were found which Mike let us know about and fixed - we have every confidence our roof will now last a very long time! I would highly recommend Mike to anyone.</p>
10-May-2020	<p>Excellent roofer knows what he is doing. I would highly recommend this guy and very reasonable quote!</p>
19-Feb-2020	<p>We had our garage and front porch re-roofed. We are very pleased with the quality of the finish and the work when it was in progress. We were kept informed throughout about the stage of work we were at in the overall process. Communication was always good. Michael and his team turned up when they said they would and on completion left the site clean and tidy.</p>
14-Feb-2020	<p>Mike kept me fully informed of progress and attendance. He also attended to a couple of issues not visible until repair had begun, whilst the scaffold was in place.</p>

18-Oct-2019	<p>Excellent service, visited the same day, quickly recognised the problem (poor workmanship by previous roofing contractor), and within a few days had undertaken the work. Michael's quote was very reasonable, far less than another contractor (who is also on the BWC webpage), would highly recommend him. Michael has completed work for myself and my two neighbours.</p>

22-Jun-2019	<p>Mike replaced a large roof on top of our garage conversion and also fixed a few other parts of the house from the chimney and guttering to a bay window roof. All the work was of excellent quality and looks great, we are very pleased with the results. Mike was the only roofer we contacted who approached the project positively as the existing roof was very large and covered with metal sheets. It was good to have someone who thought it was possible to complete. All round Mike was clean, tidy and efficient we would thoroughly recommend him for any roofing work.</p>

He gave excellent quality of work and timing as he fitted me in just before the storm! He explained to me what was needed and what he would be doing and how and was understanding of my needs as a new home-owner. His customer service is excellent as he took me through the process clearly. Definitely excellent value for money with initial repairs and definitely a trusted trader I can do business with later on.
