From start to finish we were highly satisfied with the service provided for our son's 21st/Graduation party. We had Simon as our DJ and he certainly kept the party going. People commented on how good the DJ was. Would certainly use again and definitely recommend. Thank you Gary and Simon.

Being an active part of our local church, based in Oldham - we are very family and community spirited - and heavily involved in various local events for both children and adults and always use Absolute DJ's - they have NEVER let us down and always gone above and beyond to meet, sometimes our high expectations and requirements. I would highly recommend this company for ANY event - They are reliable, professional and very very good value for money - As a church organisation we host a number of events throughout the year and our favourite by far is a " Monster Mash Ball" we hold at Halloween - I actually think they DJ's enjoy themselves too - its always a very successful evening. Keep our local business's running - Give them a ring - they have a whole range of services from silent disc

Alan from Absolute DJ's was fantastic!! He really made our night and kept the atmosphere from beginning to end. We were only a small party but it did not feel like that and Alan kept the dance floor full. Thanks Alan!!

Absolute DJs were fantastic. We wanted a DJ who wasn't cheesy or cringe worthy! Gary listened to our requests and made sure he was interactive where necessary, but was there primarily to entertain, and keep the dancefloor full, which it was until the very last minute. We got to less than a month before the wedding and still didn't have a DJ as nobody had availability, and those who did were out of our budget. So we were really pleased that Gary at Absolute DJs put us at ease and made sure we had excellent music on the night. I know recommend him to all of my events clients at work. Thanks again ðŸŒŸðŸŒŸðŸŒŸðŸŒŸ

I booked a DJ who also did some games for my son's

	<p>Gary made sure we had a telephone conversation before the event to discuss my requirements and talk through the order of the day. On the night Gary was very accommodating and not imposing in any way. He was there and set up early before we even arrived and was happy to be flexible on the night with anything that changed. I would definitely recommend absolute djs ance wouldn't hesitate to use them again. They are a professional company and take time to understand the customer needs.</p>
13-May-2019	<p>Great fun provided by Simon part of Absolute DJ's for our baby's christening we had a fabulous party and even extended by two hours it was that good highly recommended</p>
03-May-2019	<p>I just wanted to say that we had Alan as our DJ on Friday night (26.04.19) for our netball end of season presentation and he was absolutely fantastic!! I would definitely use him again. Even though we were a small group you would never have known as Alan had everyone up dancing and the dance floor was never empty. He catered for all ages and was a genuinely lovely man even looking for a daft euro pop song that was our theme tune from a weekend away. Nothing was too much hassle and he certainly made my life easier. Thank you so much Alan, we'll definitely be using you again for our next party!!</p>
02-Apr-2019	<p>Simon our dj was fantastic he played the kind of music we asked for which was 90's dance/house music! We actually felt like we were in a nightclub as he got it so spot on! All our guests commented how good he was and everyone thoroughly enjoyed it! Highly recommended he ensured my husbands 40th party went with a bang</p>
19-Mar-2019	<p>Gary was the DJ for my Mayor of Macclesfield's Charity Ball at Shigley Hall and did a fantastic job. I gave Gary no input whatsoever on music styles and asked him to use his experience to keep the dance floor full. He did just that. All the guests had a great time and we received many compliments about Gary's work. 10/10!</p>

21-Nov-2018	<p>Professional, down to earth and helpful from the first point of contact. Gary and Kerry are highly organised and run a very tight ship from the adminiistration of handling the booking - right through to the support network they have in place for their artists / DJ's and event services. I have put my trust in this organisation to handle several artist bookings over the last few months and they are an absolute pleasure to deal with.</p>

- 30-Jan-2018 I contacted absolute Djs Ltd (Gary) to hire for my 40thbirthday party as I had heard great things about the company. They responded straight away and the DJ was booked. 26-Jul-2016	<p>We used Absolute DJ's for the music at our wedding. We had used them before and Gary (who was our DJ) was brilliant. I sent him a very (very) extensive list of songs (we are music nerds) that we wanted and he pretty much came up trumps on everything gauging what the crowd wanted and keeping the dance floor full all night. The final hour of old school rave tunes was the highlight, and we can't thank them enough :-)</p>

Absolute DJ's were professional, helpful, efficient and a pleasure to deal with. They entertained 120+ kids 12/13 year old with ease. I would have loved to hit that dance floor but I was under strict instructions from my daughter to stay away and not embarrass her ????
