When I received delivery of my chair in Oct 2017, I received excellent service. In July 2018 I had a problem the chair would not go back to the normal position. I rang Stuart Mobility, they came out at 7.00pm and fitted a new hand set. Excellent service with a grin.

05-Jun-2018	Outstanding service. Stuart delivered my chair today and I am so happy I chose this company to deal with. He was prompt, considerate of my home while bringing in the large chair, and explained everything in detail. He had me try another chair to make sure I was totally happy with my choice. I thought this level of service was dead and gone but not at Stuart Mobility! Thank you to Justina who was a delight to deal with on the phone. Overall a wonderful, smooth transaction by two lovely people who really do care about their customers. Many, many thanks!!
17-Apr-2018	The level of service is second to none. I found Start Mobility after much searching for a porter chair for my elderly mother. My order was such that a chair was not available for immediate delivery and it had to be made to order. I was given an earliest and latest date for delivery and the chair duly arrived on the first date at exactly the time stated, so no hanging around. The delivery operative was superb. He set the chair up and took me through the adjustments in clear steps. Altogether brilliant. The carers at the nursing home are very impressed with it and surprised at the price and quality. Thank you.
