Great job done by Eddie and the team. Took care of all trades to complete the loft conversion and shower room. The work was completed to an excellent standard and I am very fussy and picky. I would have no hesitation in recommending this company to anyone. I will certainly use them again for any projects in the future.

First class job. Excellent attention to detail. Arrived promptly every morning and here until job completed. Price quoted was the price paid no unexpected charges. Would highly recommend would not consider using anyone else.

I called in Eddie Paul to remove part of a large extension. Eddie and his guys turned up every day . They where professional from day one. I was so happy with the way they did my job I gave them the rest of my complete renovation to do. This was a very big job and not for the faint hearted. Eddie and his guys made this look easy. The kitchen they fitted as part of the job is FANTASTIC. I will not look for another builder for my next job. Eddie and his team will be the only company I will use.
