Replacement kitchen doors in Basingstoke since 2010
Freshlook Kitchens is an independent business established in Basingstoke by me Jim Stock in 2010. I specialise in kitchen door makeovers installing high quality "Bella" and "Zurfiz" Kitchen doors from BA Components, the UK's biggest made to measure door manufacturer.
My aim is to provide you with an excellent service at an affordable price, I buy kitchen doors direct from the manufacturer and sell direct to you.
With over 30 years experience in the kitchen industry, I can help you at every stage of your purchase, choosing the latest designs, measuring up, ordering and installation.
Since 2010 I have given hundreds of kitchens a Freshlook makeover with replacement kitchen cabinet doors and accessories..

28-Aug-2018	From start to finish, the level of workmanship and customer contact has been excellent I originally had new doors fitted in my kitchen in 2016; I also had some additional cupboards fitted a while later. The latest work was to replace a couple of doors which were old glass ones I had initially decided to retain. From quality to workmanship, I can;t recommend Freshlook highly enough.

19-Mar-2018	<p>Fresh look kitchens couldn't be more aptly named! After we obtained several quotes for a new kitchen we came to the realisation we couldn't afford one ! We contacted Jim Stock at Fresh look and booked in a kitchen face lift , for a much more affordable cost. What we believed to be a somewhat compromised choice , proved to be anything but ! Jim and his colleague Mark , did an excellent job. Quality products,hard work ,integrity and courtesy all being part of the service. We are very happy indeed with our Fresh look- ing kitchen! Would highly recommend this business. If you are considering forking out for a new kitchen , give Jim a call first!!</p>

24-Nov-2017	<p>First class in every way. They were excellent.</p>
31-Oct-2017	<p>The product (kitchen unit doors and draw fronts) is excellent. The design service was excellent and the workmanship, tidiness and clean up were excellent. The work started on the due date but here was a hitch in that a couple of items were the wrong size and two were missing. However replacement items were put on a rush delivery and there was a delay of 4 days in completion. This caused us very little inconvenience whoever I have reflected this in the marking</p>
03-Oct-2017	<p>Highly recommended. Very polite and excellent service. Nothing was too much trouble - Jim and Mark have transformed my kitchen and it looks like new, love it!!!</p>

Both Mark and Jim installed the kitchen with both care and quality. Happy with the quote/price and was within our budget, amazing how cream gloss doors can transform a small kitchen both in style and light, highly recommended, thank you.</p>

02-Mar-2017	<p>Kitchen refurbishment- new cupboards fronts, some cupboards changed to drawers and new tops. This was carried out in first week in January. We had one issue- wrong trim was ordered by the company and fitted. They were happy for us to consider whether we wished to retain it , or change it at their expense, which we did. At no time was the balance asked for until we were happy with the result , which we are.</p>
