Very prompt and efficient service

Refreshingly straightforward to deal with. Rock solid knowledge and experience, good communication, genuine desire to provide the highest standards of service and workmanship. All members of the team were hardworking, courteous and considerate. Initial survey extremely thorough - and Jim picked up problems which had not been noticed at all by other firms and fixed them, providing a complete solution to the problem.

The replacement of fascias, soffits and guttering was carried out efficiently and to a very good standard. We would be happy to employ the company again.

21-Aug-2020

Carried out chimney dismantling, replaced roof valley and some general roofing maintenance. First class company. Jim kept in contact prior to arriving, comms were excellent. On arrival all the team were very helpful and polite, did a good job keeping me updated throughout. Cleaned up well after themselves. Really first class service and would definitely recommend. One of the best companies that I have used in terms of attitude and general manner.
