Chris, Allan and Thomas were an amazing team of builders. They delivered what they promised in the time scale. They were also totally in tune with what I was trying to achieve with the build. Their timekeeping was brilliant and they were extremely tidy at all times on the job. Excellent builders who I'd highly

19-Feb-2018	We needed a new kitchen fitted as was recommended to Allan Ball building contractors. Very friendly staff, Chris, Allan & Thomas very friendly, prompt, very tidy workmen, all work carried out to a very high standard. The organisation of the whole job was done brilliantly and professionally. We did need extra work doing which we had not thought about and they incorporated into the job with no problems. Would highly recommend this firm, we are very happy with all the work carried out and if in future we need any further work doing I would not hesitate in contacting them.
