Phil & Steve came to us highly recommended by relatives who had used them previously and we have no regrets whatsoever. They have taken two weeks to decorate an entire 3 bed house even accommodating a last minute request to change the colour in the kitchen. They were courteous and friendly and even managed to cope with two very hairy dogs who wanted to help from time to time. Thank you Phil and Steve for your hard work and professionalism. Would not hesitate to have them back.

Phil and Steve are very considerate when working in your home, which is great as it minimises any stress with dust, noise, ensures things are put up exactly where you'd like them as they double check, come on the day and time when they say and finish on the day they say, etc. I feel that if there is/was a problem, I could speak candidly with them to come to a solution that everyone was happy with and that would resolve the issue. Would not hesitate to recommend. Thanks so much Phil and Steve.
