Comments:	A.C Electrical are your Local Cornish Electricians serving the whole of Cornwall and the Isles Of Scilly.		

We have built a reputation for delivering outstanding service and with over 25 years of experience in the electrical industry & come with a wealth of knowledge and expertise.

We have a team of highly skilled engineers who pride themselves in providing the best possible service, professionally and efficiently.

Being NICEIC Approved, we are fully insured and our workmanship is guaranteed.

All our work is carried out to the highest standards and is fully compliant with the latest edition of the IEE wiring regulations BS7671 and conforms to Part P of the current building regulations.

We offer domestic, commercial, agricultural and industrial electrical installation, maintenance and testing and inspection services 24 hours a day 365 days a year.

We offer free no obligation quotes and can also assist or provide electrical layout and lighting design, including low energy LED systems, intruder alarms and CCTV as well as home automation and Audio Visual distribution.

We also specify and install domestic as well as commercial EV charging points and Solar PV installations.
