Comments: As well as installing new bathrooms and kitchens, we also carry out other aspects of property refurbishment, including among other things plastering and decorating.

So if you are looking to completely refurbish your property, we could be your one stop shop.

We do offer "free quotations" which include a site visit at a time and date to suit. We will also include a free bathroom or kitchen design if required. Also provided in our quotation pack is a "Monitoring Card", which has prepaid postage and is self-addressed to Checkatrade. This will give you the chance to give your feedback on the service we provide from the quotation stage right through to completion of the work.

Below is a list of some of the services we offer:

- Carpentry (including studwork and creating new doorways).
- Plastering (including rendering).
- Tiling, both wall & floor (including ceramic, porcelain and natural stone).
- Plumbing (including draining and heating systems).
- Electrics (including complete rewires).
- Decorating, both internal & external.
- Worktop fitting (including solid wood and granite).
- Dry-lining/plaster boarding (including false ceilings).
- Minor building work/brick work (including blocking-up/creating new doors/windows or removing walls).

Our Guarantee

All our work is guaranteed for 1 year from completion (t&c's apply). It is important to know that we hold a £2,000,000 Master Tradesman public liability insurance which protects both you and your property whilst any work is carried out.
