The Chippenham site was absolutely first class - I needed to buy a car quickly to replace a company car and they sorted a lovely car which was a perfect price, in four days !! Despite there being snow that week. Excellent customer service, great guys, 100% totally recommend. Thank you !!

I was very satisfied with the service I received. Gary King picked me up twice from the train station as I didn't have my own vehicle at the time and advised me on the purchase very well. I knew what I car and model I was after so that made things easier.

Sales experience was good. The sales person was friendly and there was no pressure. I discovered some issues after buying the car and there were no rear mats. Ford dont provide rear car mats, but this was resolved as a goodwill gesture by the garage.

I've now bought two cars from Chippenham Motor Company and been impressed both times by the sales staff who have been friendly.

So far so good! The salesperson was lovely. Haven't had any trouble with the car so far, but it is very new!

29-Jan-2019	Happy to recommend CMC to others I've used this firm for car purchases and servicing. My most recent service was carried out promptly; good service. I've bought two cars from this dealer and there was an issue with the first purchase, but the garage did all in their power to rectify it. Happy enough to buy a second car from them!
29-Jan-2019	Happy with the car, no problems since. The sales person was helpful.
29-Jan-2019	Really helpful in the garage; no pressure and my car is perfect! Thank you
29-Jan-2019	Friendly garage, very good sales team. Would recommend & use again
18-Jan-2019	our sales advisor Ian was a very pleasant guy to deal with and did his job professionally so all good, there were a couple of slight hiccups along the way but that was down to the finance company and not the car showroom, all in all, a good experience
14-Jan-2019	I purchased my new car from the used car team at Chippenham motor company, The level of service I received was outstanding and faultless. From the moment I spoke to Gary on the phone to shaking his hand upon completion of the sale I couldn't have been happier, I spoke with other members of the sales team during my time there and they are all a friendly welcoming team, dispelling any misconception about car salesmen, if only every dealership was this committed to helping their customers. Anyone looking for their next car will not be disappointed. Everything was explained in a clear manner during finalising of paperwork. My only regret is now the sale is complete I don't get to enjoy the welcoming friendly environment 10/10 across the board Would come back again for my next car
