- 20-Feb-2024 After I left an e-mail enquiry Jon phoned me back very promptly. He and his team called in just a couple of days later and were able to complete the job very quickly and with minimum fuss. The cost was very reasonable and I wouldn't hesitate to call on him again.

- 12-Feb-2024 Within a very short time between our conversation about the task, Jon had arranged for the bin to be removed from site. All waste removed exactly as requested. Excellent response and very good work carried out.

18-Jan-2024	We phoned Jon as we needed an old armchair removed (we had been let down by someone else). Agreed time, date and price (price was competitive) and Jon turned up as agreed and a bit earlier than originally planned but Jon kept us informed all the time. Very efficient, very polite and chair collected without any hassle. Would recommend.
27-Nov-2023	Jon the team were phenomenal. They had cleared out my entire garage within 20 minutes, I was gob smacked. They were done with everything within 2 hours, and cleared three truck loads of stuff. Honestly I could not recommend them enough for this type of job, the team are fantastic. Thank you to Jon, Jon, Oliver, Ben and Bradley. All absolute stars and once again taken a massive load of our shoulders.
24-Nov-2023	Jon was able to visit my late mother's property and assess and quote for the clearance at very short notice. His was a very competitive quote, and he rang the day before the clearance to confirm his attendance and to check we were ready to proceed. He was patient and accommodating in keeping back a handful of items I had not been able to recover - for which I am really grateful. The work was carried out very speedily, and nothing, repeat nothing was left behind. I would use the firm again and I'd happily recommend them

20-Sep-2023	Jon and his team cleared out my late father in laws flat and garage this week and it was a brilliant job. They arrived on time and ready to go and as it was a sensitive job, we gave Jon the keys and left him to it. The job was done quickly and respectfully and he called us when done so we could check the results before payment. My husband found it hard to see the vans pull away in the end but the team were lovely, professional and we would highly recommend them.
